Jim:

(b) (5)

The email body contains several lines of text that have been redacted with grey bars. The first line is "(b) (5)". This is followed by four lines of redacted text. The first redacted line is the longest, spanning most of the width of the email body. The second line is shorter, followed by a third line that is nearly as long as the first. The fourth line is the shortest of the four. Below the redacted text is a large, empty rectangular box with a thin black border.
